**Mission:** To improve lives by mobilizing the caring power of communities.

**Vision:** A connected community where everyone belongs, has the resources they need, and can fulfill their potential.

**Service Area:** Brunswick, Harpswell, Lincoln, Knox & Sagadahoc Counties.

**United Way is in a unique position to bring people together—community partners, donors, and volunteers—to solve community challenges that not one organization can do on their own. We support community partners to help them meet their missions as an advocate and advisor, connector and convener, funder and friend and help the community respond to emerging and unmet needs, mobilize volunteers, and connect individuals and families to local resources.**

#### United Way of Mid Coast Maine:

- Is a locally governed and independently run non-profit organization comprised of community volunteers; we have been a trusted partner for almost 70 years.
- Works with community partners, donors, and volunteers to give kids the best start, build financial stability, and help everyone live healthy and connected lives.
- Invests in more than 50 local community programs and initiatives every year, helping more than 27,000 people.

Our work and partnerships also include:

- Community Response Initiative: supporting community partners working together to have the resources needed to respond to emerging and unmet needs.
  - Sagadahoc County Working Communities Challenge: helping to increase youth hopefulness.
  - Mid Coast Homeless Response Service Hub: helping to reduce and eliminate homelessness.
  - Brunswick New Mainers project: helping our newest neighbors have the resources they need to thrive.
- Emergency Food and Shelter Program: FEMA funding emergency food and shelter programs in our service area.
- Midcoast CASH Coalition: free tax preparation and connections to resources that can help individuals and families make the most of their money.
- United Ways of Maine: seven independent United Way organizations working together to help Maine thrive.
  - 211 Maine – get 24/7 help and resources by dialing 211, texting your zip code to 898-211, or visiting [www.211maine.org](http://www.211maine.org).

Keep ME Warm – United Ways of Maine: emergency fuel assistance through community partners.

Advocacy – Collectively advocating for state and federal public policy changes that support our community impact goals.

**Our mission: to improve lives by mobilizing the caring power of communities.**
